1. When you give time to Me, what do I do with it?
When you give Me surrender, what do I do with it?
When you give Me your words, what do I do with them?
What do I do with what you give Me?
Why do I want you to give Me these?

2. Shall I say to the stone, turn into bread?
Shall I be the potter or the clay?
Can I be both? Simultaneously?
Is anything too difficult for Me?
Am I the potter? Am I the clay?
Am I the beginning, or the end?
Where did the potter, clay, originate?
Who is who and whom fashions who and gives each other the right to dictate not, but surrender unto, receiving the Master?

3. Shall the design say to the designer, "fashion me thus?"
Shall the design say, "you messed up?"
Shall the design redesign the designer?
Behold the lamb slain, the design in the hand of the designer not resisting, but wet clay remaining, saying "spin me, mature me, allow all of you to flow in me in whatever way you want, so desire." I love you.

4. Shall the design say to the designer "your/My children are bad?"
Shall the design say to the designer "this is what I will do and not do and this is what I will let you do and not do and don't get them confused?"
Preposterous.

5. To wit, I am you. You are My throne, in heaven not, right where you are, now, this moment, in Me, of Me, and surrendered or not; you choose.

6. So many chosen Me. I love you.
So many not. I love you.

7. I come and I call and I conquer fear doubt and unbelief and I dispossess it if I/you will let Me. See what I am saying and dispossessed be of all that holds you back, shadows you

from My light, which burns into the Son. I love you. See Me, be Me, feel My love, power, and majesty flowing through you, if you will.

8. Holiness, righteousness. Thank you. Amen.

9. **Be not afraid. All changes at hand and sooner.** Release Me and released be in every area and every area release. See Me. I love you.

10. My release now comes into heavenlies not, yes and beyond, unafraid not, courageous one now who courage possesses in immaculate meekness who dispossesses evil in open ones who surrender all to Me/My design, and let My design free from rule-based living to love-based living, letting My river flow and create scenes of much change, and sorrow some. Light shines and behold the man of many sorrows not, Me, you now celebrating the marriage supper of The lamb; Me, you, one; us, one. Amen.

11. **Think it not that all changes; much change. Amen.** My doing, My hand, My timing and all is in Me and rest assured in My rest that My rest is coming upon you, in arrogance not but meekness meekness'd and resolve of only Me, into Me. I love you.

12. Maximizing the potential into results natural, heavenly and past beyond all future'd thought now transpires in loosed ones you loose in lands many, all not, all and beyond all. I love you. Me'd one, Me'ing all who let you. Amen.
